- ✓ MICE: incentives, meetings and events.
- ✓ Extensions to Egypt, Jordan and the Greek islands, always attached to a Turkey itinerary.

What we don't do

- ✗ Destinations outside Turkey sold as stand-alone trips.
- ✗ Egypt, Jordan or the Greek islands on their own, without a Turkey itinerary.

Published itineraries are a starting point: itinerary, hotel category and pace are adjusted to what your client asks for.

How we work

From request to on-the-ground operation, in five steps.

- 1 Request**
Send your request through the quote form, by email or on WhatsApp. To quote we need passenger numbers, dates, type of service, hotel category and guide language, plus any special requirements.
- 2 Net proposal**
We send a day-by-day programme with services included and not included, the net price per person and in total, and the payment terms.
- 3 Confirmation**
Your agency accepts the proposal in writing and sends us the travellers' details.
- 4 Bookings and documents**
We confirm hotels, transfers, guides and other suppliers, then send the final programme and vouchers with traveller details, confirmed services and local contacts.
- 5 On-the-ground operation**
We run the trip in Turkey with licensed guides and adjust the programme if needed. Settlement follows the terms agreed in the proposal.
